

Deception Bay Driving Range

AUGUST NEWSLETTER

It has now been four months since the ownership of Deception Bay Driving Range has changed. I would like to thank all of those involved for making the transition as seamless as possible, during this challenging process.

During this time we have made some real progress with the following changes;

- 6000 new full length range balls
- Upgraded range mats
- Pitching/chipping area & bunkers have been re-established
- Putting green has had all the weeds sprayed
- Fully stocked pro-shop
- Demonstration days
- Daily & weekly competitions with free entry.

We will be making some exciting announcements shortly with:

- China pro-am trip
- Weekend Gold Coast trip
- Finals footy & golf
- Beat-the-pro competitions
- Friday night BBQ's
- Sunday morning breakfast golf

There has been some amazing progress with golf games during these last months. Many of you will have noticed me on the range discussing golf swings & helping golfers get back some of their lost (or yet to be discovered) skills. As golf is my passion & I get immense pleasure in helping golfers. Feel free to have a chat, or get a couple of tips, on how you can be a better player. After many years of coaching, you will see I have a very simplistic, clear, way of coaching. Using video/computers technology is the best way for you to improve. Being able to see your golf swing & compare it to an elite golfer is absolutely the easiest way for you to improve. To not do this, will set your progress back!

Our team continue to strive in making our facility a warm & friendly place to visit. Don't hesitate to introduce yourself & if there are any golfing needs you have, I will do my very best to accommodate your needs.

Great Golfing!

Chris
